

LAGRANGE TEAM

Primary Responsibility: To ensure that people who live in LaGrange (our second largest support base) have access to news about All Things New, have opportunities to get involved in the ministry of All Things New, and are given ample opportunities to give financially to All Things New (primarily through the annual fundraiser).

The LaGrange Team will be responsible for working with the Board and Executive Director to ensure that LaGrange remains a key contributor to the ministry of All Things New. The LaGrange Team should be made up of as many people as necessary to ensure that LaGrange is adequately represented to the organization and should have a member of the board as the chair of this team. The following is a list of tasks for which the LaGrange team will be responsible:

- Annual LaGrange Fundraiser
- Planning and communicating with people who would like to help with smaller scale fundraisers (ie. spirit nights, turkey trot, basketball fundraiser, etc.)
- Helping All Things New communicate with FBC and its missions team as well as seeking other potential church partnerships in LaGrange.
- Help All Things New to stay connected in LaGrange all year through any means available.
- Work with the Executive Director and Board to continue to foster relationships, seek speaking engagements, and include LaGrange in decision making.
- Recruit people to join the LaGrange team as moving forward this team plays a larger role in the success of All Things New.
- Report to the full board.
